

Employee Incentive Scholarship Program (EISP)

The Employee Incentive Scholarship Program (EISP) authorizes the Department of Veterans Affairs (VA) to award scholarships to permanent full- and part-time Veterans Health Administration (VHA) employees pursuing degrees or training in health care disciplines for which recruitment and retention of qualified personnel is difficult.

Purpose

- Provide our Veteran population with specialized care by increasing the supply of qualified health care professionals.
- Help the VHA meet its need for qualified health care professionals in occupations where recruitment or retention is difficult.

Eligibility

Applicants:

- Must be in a permanent full-time/part-time appointment at the time of application submission and during participation in program.
- Must have been continuously employed for at least one year with VHA, immediately preceding submission of application.
- Must be enrolled in, or unconditionally accepted for enrollment in, an academic program that prepares the applicant to meet the VA Qualification Standards for employment in a Title 38 or Hybrid Title 38 Occupation (specific degree program must be accredited and meet VA qualification standard).
- Must attend academic institutions located in the United States or its territories and accredited by the professional accrediting body identified in VA Qualification Standards as required for the applicable occupational series.
- Must be within credit and funding limits of EISP.
- Cannot have an obligation under any other Federal program to perform service after completion of the course of education or training.

Covered Expenses

- EISP awards cover tuition and related expenses such as registration, fees, and books.
- Scholarship funding limitations:
 - The maximum funding that may be awarded to an employee enrolled in a full-time curriculum is \$39,017.24 for the equivalent of 3 years of full-time coursework.
 - The maximum credit hours that may be funded are 90 for undergraduate course work or 54 for graduate level course work.
 - The maximum funding that may be awarded per credit is \$433.52 per undergraduate credit hour or \$722.54 per graduate credit hour.
- Scholarship awards are not taxable.
- Full-time students have a maximum of 3 years to complete their education.
- Part-time students have a maximum of 6 years to complete their education.

Service Obligation

- Upon completing their educational program and licensure/certification, participants work as permanent, full-time VA employees in the occupation for which the scholarship was provided.
- Participants agree to a 1 to 3-year service obligation.

How Are Awards Determined

- VHA facilities recommend employees for scholarships based on local Workforce Succession and Strategic Plans.
- National funding is prioritized based on VA and VHA workforce needs.

How to Apply

- Applications are submitted through your local VHA facility.
- Facility Directors recommend employees for scholarship program participation.
- Contact your local Scholarship Coordinator for local criteria, application instructions, deadlines, and additional assistance.
- See your local facility intranet for the additional information.
