

Attention Medics and Corpsmen

# Intermediate Care Technician (ICT) Careers at VHA

## Consider...

Are you a medic, medical technician or corpsman, honorably discharged, looking for a great new opportunity? Join the VHA Intermediate Care Technician program and turn your service experience into a service for America's Veterans.

## Your Future.

VHA's Intermediate Care Technician position allows you to put your medical training and experience, earned while in uniform, to work for VHA directly, without the need to repeat training or licensure requirements outside the military.

If you have Basic Medical Technician Corpsman, Combat Medic, Independent Duty Medical Technician training, or other related certifications, visit the VA Careers [ICT web page](#) to match your military skills to a career with VHA that lets you get to work today.

Positions are located nationwide!  
Apply today:
